Bill – EPA did prepare a consideration memo and a supplemental information memo. We are evaluating whether to add them to the Sharepoint site.

Besides those that you mention, there was another submission, which came from NOAA and the U.S. Fish & Wildlife Service. The trustees have asked that we direct requests for that document to Reyhan Mehran (her email address is reyhan.mehran@noaa.gov, if you don't have it).

Subject: Passaic: March 1, 2018 CSTAG Meeting and OLEM Publication

Hi Sarah:

In follow up to the March 1, 2018 CSTAG meeting on the proposed IRM for the upper 9 miles of the Lower Passaic River, did Region 2 prepare a "Site Information Package" and/or a "Consideration Memo" for CSTAG (see page 14 of the attached document) on the matter?

If so, please provide us with a copy or perhaps you can post it on the SharePoint site.

Also, were there any other comments or submissions made concerning the Potential Interim Action beyond those now on the SharePoint site (NJDEP, CAG, CPG Proposal and Presentation).

Kindly advise.

Thanks,

Bill
